

Description

Discover De Uitvlucht

Brasserie, family restaurant, lounge, children's play area, meeting room and a cozy terrace with an open view of the natural swimming pond, the surrounding nature, and the resort. Located right at the beautiful Brunssummerheide nature reserve.

Our restaurant is situated at the entrance of the resort. You can, of course, enjoy hearty Burgundian-style dining on our terrace or in our atmospheric venue, but you can also order food and drinks to take away and enjoy in your chalet. You can place your order by phone, and we will give you a pickup time.

With us, you'll find everything – from breakfast to dinner, as well as BBQ and gourmet packages, tapas and snacks. We also stock large bottles of soft drinks and wine, various spirits, and coffee in case you run short. Feel free to call us or stop by for more information.

In this brochure you will find several packages and arrangements we offer, along with a small selection of our assortment. Our full menu can be found on our website or in the restaurant. Please order in advance, and for packages and arrangements at least one day ahead, due to the busyness at the resort.

We also cater for parties and celebrations of all kinds and sizes. Don't hesitate to request a non-binding quote.
